

HELPFUL TIPS for Success

5 Reasons You Need a REALTOR®

1. **A real estate transaction is complicated.** In most cases, buying or selling a home requires disclosure forms, inspection reports, mortgage documents, insurance policies, deeds, and multi-page government-mandated settlement statements. A knowledgeable guide through this complexity can help you avoid delays or costly mistakes.
2. **Selling or buying a home is time consuming.** Even in a strong market, homes in our area stay on the market for an average of ____ days. And it usually takes another 60 days or so for the transaction to close after an offer is accepted.
3. **Real estate has its own language.** If you don't know a CMA from a PUD, you can understand why it's important to work with someone who speaks that language.
4. **REALTORS® have done it before.** Most people buy and sell only a few homes in a lifetime, usually with quite a few years in between each purchase. And even if you've done it before, laws and regulations change. That's why having an expert on your side is critical.
5. **REALTORS® provide objectivity.** Since a home often symbolizes family, rest, and security, not just four walls and roof, homeselling or buying is often a very emotional undertaking. And for most people, a home is the biggest purchase they'll ever make. Having a concerned, but objective, third party helps you keep focused on both the business and emotional issues most important to you.
